GET OUT OF THE WEEDS: EMPOWER YOUR TEAM FOR SUCCESS

Wayne Holloway

CEO

Best Choice Roofing

I started as a sales person.

Time is your most valuable asset.

You can only do so much.

**Many of you should have
already hired someone.**

**Pay what is needed,
to get what you need.**

Get out of the way!

Let your team make mistakes.

Hold people accountable.

**No one cares about your money
as much as you do . . .**

A yellow star with a black outline is centered over the number '20'. Inside the star, there is a stylized city skyline with several skyscrapers and a house with a grey roof and a window. The star's border contains the text 'BEST OF SUCCESSES' and 'ROOFING CONTRACTOR' repeated.
